

## HEADING:

### DefenAge® Skincare Sweeps 2018 Aesthetic Everything® Awards with Seven Category Wins!

CARLSBAD, CA, October 9, 2018 – DefenAge® Skincare swept the 2018 Aesthetic Everything® *Aesthetic and Cosmetic Medicine Awards* with wins in seven categories! The brand won top honors for “**Top Aesthetic Company**” and “**Top Breakout Company**”. Its products were voted “**Top Medical Skin Care Line**” and “**Top Spa Skin Care Line**”. The company’s CEO was named “**Top CEO**”. In recognition of their research and public education, the company was also awarded “**Top Aesthetic YouTube Video**”. The award-winning video is entitled, “[Study Says That Skin Can Naturally Turn Back the Clock](#)”. In addition, two articles that feature DefenAge’s proprietary technology were each named “**Top Aesthetic Publication**”. The first winning article describes a [muti-center clinical trial](#) of DefenAge’s signature regimen. The article was published by the *Journal of Drugs in Dermatology* early this year. The data from the article validates DefenAge as a best-in-class anti-aging solution. (Taub A, Bucay V, Keller G et al. *J Drugs Dermatol.* 2018 Apr;17(4):426-441). The second winning article is entitled, “[Stem Cells in Dermatology and Anti-aging Care of the Skin](#)”. It highlights the advantages of defensin-based technology over older generations of skin care and describes defensins as a new avenue for a targeted treatment in skin aging. The article is co-authored by renowned dermatologist Amy Forman Taub and a stem cell researcher from Wisconsin University, Kim Pham. The article was published by Elsevier’s *Facial Plastic Surgery Clinics* for Fall, 2018. (Taub AF, Pham K. *Facial Plast Surg Clin North Am.* 2018 Nov;26(4):425-437).

This year’s Aesthetic Everything® *Aesthetic and Cosmetic Medicine Awards* tapped winners from over 30,000 votes cast. Voting was held online between September 1st and October 1st, 2018. All votes were counted to obtain the list of winners. The Award winners for excellence in the field of Aesthetics span the categories of Companies, Products, CEOs, Presidents, Executives, Doctors, Med Spas, Aestheticians, Nurses, Staff, Services, Training, Publications, Meetings, Charity, Videos and more.

In response to the across-the-board acclaim received by DefenAge, CEO, Nikolay Turovets, PhD, said, “Performance of defensin-technology and our products is proven by rigorous clinical studies. The fact that many voted for DefenAge in a plethora of categories just proves that DefenAge is truly well accepted by the market. On behalf of DefenAge’s team, I thank our consumers and partners for their loyalty and trust.”

In addition to the extensive award streak in this year’s Aesthetic Everything® Awards, DefenAge is also the only skin care company to have received the 2018 “Influencers & Innovators Award”, presented by Dermatology Times and The Aesthetic Channel.

#### About DefenAge® Skincare:

Progenitor Biologics®, LLC manufacturers and distributes the ground-breaking DefenAge Skincare line. DefenAge Skincare is a technology-driven, evidence-based, revolutionary, anti-aging skin care product. It is primarily distributed through the professional aesthetic market, including dermatology and aesthetic surgery practices. The key ingredient, **Age-Repair Defensins®**, features a stand-alone natural target-specific mechanism of action. The technology is patent pending, exclusively available in DefenAge, and is not in the growth factor category. The clinical study-tested **Clinical Power Trio** is DefenAge's core skin care regimen. The regimen addresses visible signs of skin aging on a global scale. DefenAge products do not contain animal- or human- originated ingredients, parabens, formaldehyde releasing preservatives, sulfates, mineral oils, colorants, phthalates or BPA.
